CONTINUED ROAD TOUR 5:30 PM AND REGULAR COUNCIL MEETING 7:00 PM  
43038 State Hwy 30, Rushford Village, Minnesota 55971-5167**

**Road Tour 5:30 pm**

The May 20, 2025 Continued Road Tour was called to order by Mayor Overland at 5:40 pm. Present: Mayor Dennis Overland, Council Members: Mike Ebner, Travis Link, Robert Hart, Rick Ruberg, Public Works/Maintenance Supervisor Trenten Chiglo, Clerk Mary Miner  
Absent: Treasurer Judy Graham

The following roads were visited:

- **Village Rd:**
  - Looked at the new culvert and road surface
  - There is a small section in the Anderson yard where dirt has washed, this should be filled in
  - Road surface needs attention. This was discussed with Derek Olinger from Bolton & Menk last fall. A core sample was done last fall but has not been picked up by Olinger
- **Oakview Loop:**
  - Chiglo stated he does not agree with Derek Olinger-Bolton & Menk that the whole road needs to be completely redone. Chiglo stated he feels the road is not in that bad of shape and feels a chipseal or double chipseal would be all that is needed which would be a large cost savings
- **Gilbertson Rd:**
  - Looked at the repairs made to the stream bank after the June 2024 flood event
  - Rip rap was placed to hold the stream bank
  - FEMA grant money was received for the project
- **Vogan/Dunn:**
  - Looked at the culvert Chiglo installed on Dunn. Chiglo will be extending the length
  - Chiglo stated he will be reshaping the road where Vogan and Dunn meet. Right now there is a Y, he will be removing the Y by filling the grass part with gravel and reshaping the road so water will run off properly
  - Ruberg asked if this would make the road narrower in that spot. Chiglo stated it would not. Ruberg stated the road should remain the same width because that is a spot semis are parked when field work is being done
